In Government Order dated 5th April 1947, administrative sanction of Government was accorded to the Post-war scheme regarding the development of bee-keeping in the State, and the Superintendent, Veterinary and Animal Husbandry Services, was requested to submit detailed proposals for the consideration of Government. The Superintendent has accordingly submitted comprehensive proposals in the matter and these proposals aim at—

The scheme is estimated to involve a net recurring expenditure of Rs. 71,000 spread over three years recurring expenditure varying with the increase in the number of centres from year to year and amounting to Rs. 10,000 from third year onwards as per details furnished annexure enclosed.

Under the recurring expenditure the Superintendent proposed the creation of a new post (Gazetted) of Ap Rs. 200—20—300 plus C. A. Rs. 30 as well as the appointment of Mr. B. G. Gupta, the present Bee-keeping Assistant post. He has also proposed the appointment of subordinate staff for the Apiarist involving a total expenditure of Rs. 8,756 per annum for the Head of Laboratory.
